

REMARKS

The foregoing amendments to the specification and drawings are made to correct certain typographical errors. These amendments do not introduce new matter into the application.

Formal drawings of Figures 1-21 are being submitted simultaneously herewith properly annotated with Replacement Sheets thereon. Figure 13 has been amended to add a dashed arrows line between the left waveform and the right waveform, that was inadvertently omitted. The amendment to Figure 13 does not add new matter, see page 34, line 6 through page 35, line 7.

Wherefore, early and favorable consideration of the present application, as amended herein, is respectfully requested.

Respectfully submitted,
